

CURRICULUM VITAE

First name: Soultana Maria
Last name: Valamoti
Date of birth: 01-01-1965
Nationality: Hellenic

Researcher unique identifiers: Orchid: 0000-0001-5157-8062, Scopus: 7801644738
URL for web site: <http://www.hist.auth.gr/en/content/valamoti-soultana-maria>
16th IWGP Conference website: <http://iwgp-2013.web.auth.gr/>

Academic Record

Qualifications

- 2001 PhD, Department of Archaeology, Sheffield University, U.K. Thesis title: ‘An Archaeobotanical Investigation of Late Neolithic and Early Bronze Age Agriculture and Plant Exploitation in Northern Greece’ (supervised by Prof. Glynis Jones)
- 1989 M.Sc. in Environmental Archaeology and Palaeoeconomy, Department of Archaeology and Prehistory, Sheffield University, UK. Passed with **distinction**.
- 1987 BA, School of History and Archaeology, Aristotle University of Thessaloniki

Scholarships

- 1997 Doctoral Scholarship, The A.G.Leventis Foundation Educational Grant
- 1996 Doctoral Scholarship, British Federation of Women Graduates Financial Grants
- 1994 Doctoral Scholarship, Sheffield University Bursary Award Scheme (three years)
- 1991 British School at Athens Centenary Bursary

Full-time academic employment

- 04.2014- Associate Professor, School of History and Archaeology, Aristotle University of Thessaloniki
- 11.2007-04.2014 Assistant Professor, School of History and Archaeology, Aristotle University of Thessaloniki
- 05.2002-11.2007 Lecturer, School of History and Archaeology, Aristotle University of Thessaloniki

Current undergraduate teaching

I teach lectures and/or practical classes on the following courses: Introduction to Prehistoric Archaeology (APR101); Prehistoric Societies of the Aegean and the Balkans (Palaeolithic-Final Neolithic - APR602); Bioarchaeology (APR308); Neolithic Economy in the Aegean (APR204); Interdisciplinary Approaches to Archaeology (APR303); Retrieval of Archaeobotanical and other Bioarchaeological remains in the Field (sampling and processing-excavation - AAA313); Archaeological sites, Museums and the Public (APR312).

Current postgraduate teaching (excluding supervision)

I teach lectures and/or practical classes on the following courses: Neolithic Cultures, Archaeobotany.

Erasmus teaching: I have taught at the University of Nottingham (spring terms 2007, 2011), the Autònoma University of Barcelona (spring term 2010), Paris I Pantheon (winter term 2012).

Supervision of postgraduate research

Master supervision

2005-08 *Kotsachristou Dimitra*, Archaeobotanical Investigations in Prehistoric Macedonia: evidence from Toumba Thessalonikis. Poster presentation, 14th International Work Group for Palaeoethnobotany (IWGP), Krakov 2007

2007-09 *Karathanou Angeliki*, Archaeobotanical Research at the Neolithic Settlement Kremasti Kozanis, oral presentation at AEMTH, Thessaloniki 2010, *published* 2011

2007-09 *Moniaki Katerina*, Archaeobotanical Research at the prehistoric settlement of Agios Athanasios. Poster presentation, 5th Symposium Hellenic Society for Archaeometry; oral presentation at 15TH IWGP, Wilhelmshaven, *published* 2011

2008-11 *Chondrou Danai*, Ground Stone Tools from Kremasti Koiladas, Kozani. Conference presentation, CEMA, 09.2011, Louvain-la-Neuve, Destroying the means of production, *published* 2013

2009-12 *Stylianakou Hara*, Archaeobotanical Evidence from the Neolithic Settlement of Kleitos Kozanis. Paper presented at the 25th AEMTH (2011), *published* 2015

2010-13 *Petridou Chryssi*, Archondiko Giannitson, Trench Γ: The Archaeobotanical Remains. Conference participation in three presentations of the Archondiko isotopic evidence at Marseille and in New Orleans, at the Archaeological Institute of America (AIA), AGRICURB Bioarchaeology team member.

2010-13 *Telioridou Eleni*, An archaeobotanical investigation of phase I at Archondiko Giannitson

2011 *Kokkidou Martha*, Archaeobotanical Evidence from Dikili Tash, French Sector.

2013 *Kokonaki Emilia*, Plant exploitation during the Neolithic and the Early Bronze Age in the Aegean Islands: an Archaeobotanical Investigation

MA students H. Stylianakou and D. Kotsachristou are now employed in Archaeobotany careers by the Greek Ministry of Culture in the Kozani Ephorate of Antiquities

PhD supervision

2012 *Danai Chondrou*, Ground Stone Tools from the Prehistoric Settlements Kleitos I and Kleitos II. Conferences: 33rd International meeting of Archaeology and History, Antibes, 23-25 October 2012 (*published* 2013). Funding: Research Committee - Aristotle University of Thessaloniki (2014), Leventis Foundation (2014), Onassis Foundation (2015-2017), Institut Européen d'Histoire et des Cultures de l'Alimentation (IEHCA) (2014/15)

2012- *Stavroula Michou*, An Archaeobotanical Investigation of Prehistoric Societies and Natural Environment in the Four Lakes of Amyndaion. Conference participation: 16th IWGP Thessaloniki

2011- *Karathanou Angeliki*, Human Activity in Mainland Greece in the Late Bronze Age: The Archaeobotanical Evidence. Conference presentations: 16th IWGP Thessaloniki 2013; New Orleans 2015 AIA; Physis, Paris 2012, *in press*. Scholarships: Research Committee - Aristotle University of Thessaloniki, Leventis Foundation (2013-15), Onassis Foundation (2013-15). AGRICURB Bioarchaeology team member.

2009- *Eugenia Gkatzogia*, An Archaeobotanical Investigation of Iron Age Societies in Central Macedonia. Conference poster presentations: 15th IWGP, Wilhelmshaven and 16th IWGP Thessaloniki, Dutch School at Athens: Diet, Economy and Society - Athens 2010, *published* 2013. Scholarship: Research Committee - Aristotle University of Thessaloniki

I am also currently PhD co-supervisor for a number of Greek and international PhD students:

Aristotle University of Thessaloniki. School of History and Archaeology: Trisevgeni Papadakou, Ismini Ninou, Fotis Ifantidis, Sascha Mael, Bekiaris Tassos

School of Forestry and Natural Environment, Anastasia Gazi, The role of man in vegetation evolution through time on Lefkas Island;

Paris I Panthéon-Sorbonne: Clemence Pagnoux, 'Fruit tree cultivation in Greece from Neolithic to Roman time', conference presentation 16th IWGP, published 2015

Examiner for International PhDs:

-Marian Berihuete Azorin (26.02.2010), *La Gestion de Recursos Vegetales no Lenosos entre Sociedades Cazadoras-Recolectoras: Propuesta para su Estudio. El caso de Tierra del Fuego (Argentina), Autonoma University of Barcelona, European Doctorate Mention*

-Ferran Antolín Tutusaus (13.02.2014), *Of Cereals, Poppy, Acorns and Hazelnuts. Plant Economy Among Early Farmers (5500-2300 cal BC) in the NE of the Iberian Peninsula. An Archaeobotanical Approach Autonoma University of Barcelona, European Doctorate Mention*

Major Collaborations

EU funded projects

- ERC-AGRICURB project (Prof. Amy Bogaard, Oxford University): collaborator and supervisor of students Angeliki Karathanou and Chryssa Petridou, members of the project's Bioarchaeology team, <http://www.arch.ox.ac.uk/AGRICURB.html>
- EU PACE (Plants and Culture) project associated partner, exhibition and volume contributor, <http://www.plants-culture.unimore.it/associated.htm>
- EARTH (European Science Foundation), volume contributor

Archaeobotanical projects (Principal Archaeobotanist)

Greek Ministry of Culture Principal Archaeobotanist (selection of sites):

- Agios Athanasios
- Archondiko Giannitson (Aristotle University of Thessaloniki excavation)
- Arkadikos
- Anargyroi
- Angelochori
- Apsalos
- Dikili Tash
- Giannitsa B
- Karabournaki (Aristotle University of Thessaloniki excavation)
- Kleitos
- Kremasti
- Makri
- Mandalo
- Mavropigi-Phylotsairi
- Mitrou
- Promachon/Topolnitsa
- Skala Sotiros (Thassos)
- Skarkos (Ios island)
- Thermi B
- Toumba Thessalonikis (Aristotle University of Thessaloniki excavation)

Greek Archaeological Society

Dikili Tash excavations

<http://www.dikili-tash.fr/index.htm>

University of Cincinnati, Excavation at the Palace of Nestor, Pylos (Directed by Jack Davis and Shari Stocker) <https://classics.uc.edu/prap/>

Institute of Fine Arts-New York University Selinunte excavation (Sicily)-Principal Archaeobotanist;

University of Thrace, Turkey, Uğurlu, Imbroz/Gökçeada excavation

CNRS France, UMR 7041 (ArScAn, Dikili Tash excavations) <http://www.dikili-tash.fr/index.htm>

Dikili Tash (2012), Imbroz - Uğurlu (2013), Selinunte - Sicily (2013), Pylos - Palace of Nestor (2014)

Educational projects

National Geographic Learning World History program. An educational program for middle school students which combines standard teaching materials (i.e. textbooks) with dynamic multimedia resources. The program's content is driven by the work of National Geographic Explorers and grantees and I am one of featured NG Explorers (to be released June 2015)

Boston University: Contributor (Legumes and Pulses, Oil-Bearing Seed Plants) to the *Archaeology of Food Encyclopaedia* edited by Karen Bescherer Metheny and Mary C. Beaudry (in press).

Private Industrial Sector (SMEs)

Thrace Flour Mills, Ancient Cereals Project: The Seeds of Demetra - Cereals from the depths of time to modern cuisines (May 2014-June 2015)

Sponsor's gifts, Thessaloniki, 16th Conference of the IWGP

Organisation of scientific meetings

2014: Scientific Committee member, Alexander von Humboldt Kolleg, *Northern Greece and Southeastern Europe during the Neolithic Period.*
<http://www.arheopedia.com/2.htm>

- 2014: Session co-organiser, 20th annual meeting of the European Association of Archaeologists (EAA), Istanbul 10-14 September 2014, *Subsistence strategies in Change* (session T04S020, under T04 Environment and Subsistence: Geosphere, Ecosphere and Human Interactions). <https://www.eaa2014istanbul.org/sayfa/141>
- 2013: Local Organiser, 16th Conference of the International Work Group in Palaeoethnobotany, Thessaloniki, 16-22 June 2013, 270 participants, 36 countries, 5 continents, Proceedings published (January 2015, *Vegetation History and Archaeobotany*, impact factor 2.061). <http://iwgp-2013.web.auth.gr/>
- 2012: Scientific Committee member. 3rd ARCH_RNT Symposium, *Archaeological Research and New Technologies*, University of Peloponnese, Kalamata, 3-6 October, http://www.history-archaeology.uoc.gr/files/items/1/1402/circular_3rd_arch_rnt_uop.pdf
- 2010: Organising Committee member. Conference on Subsistence, *Economy and Society in the Greek World: Improving the integration of archaeology and science*, Athens, 22-24 March. Organised by the Netherlands Institute in Athens and the Hellenic Society for Archaeometry. Conference proceedings co-editor, published (2013) by Peeters, Leuven.
<http://www.rug.nl/research/groningen-institute-of-archaeology/news/voutaski-pharos-suppl-1.pdf>
- 2009: Symposium co-organiser (with Aylen Capparelli and Michele Wollstonecroft), 5th International Congress of Ethnobotany (ICEB), Bariloche, Argentina, *Recent research in post-harvest traditions in human prehistory: Old and New World palaeoethnobotanical approaches to linking the archaeology and ethnobotany of plant processing* (participants from Latin America, Europe and Japan). Included in the thematic session no 3: Las plantas y el hombre en el pasado, published in the conference proceedings volume titled *Traditions and Transformation in Ethnobotany* (Ladio et al. (eds) 2010).
http://www.archaeobotany.org/download/posters/valamoti_poster1_whv2010.jpg
- 2002: Session organiser, 8th EAA, Thessaloniki, Greece, *Plant Remains in the Investigation of Spatial Organization Archaeobotanical and Ethnoarchaeological Approaches* (participants from Greece, United Kingdom, Slovakia, Germany, Bulgaria, Russia, the Netherlands and U.S.A.)

Institutional Responsibilities (selection): Election/promotion boards for academic staff members, departmental staff committee member, Annual Studies Guidebook committee, responsible for students with disabilities, Masters' Students examiner, AUTH environmental policy board member, *Colloquia* committee member, School of History and Archaeology (AUTH) external evaluation committee 2015 (presentation of undergraduate studies)

Commissions of Trust: Reviewer for National Geographic Committee for Research and Exploration projects; Referee for peer review journals: *Antiquity*, *Food and History*, *Journal of Archaeological Science*, *Environmental Archaeology*, *Vegetation History and Archaeobotany*, *Archaeological and Anthropological Sciences*, *Human Ecology*, *Current Anthropology*, *Journal of African Archaeology*

Career Breaks (maternity leaves during PhD): January 1995-September 1995, January 1998-March 1999

Publications

I have published six research monographs and books (including peer-reviewed edited volumes) and 79 articles of which 25 are articles in peer-reviewed journals (11: main author, 12: co-author, 2: with supervised students), 21 articles in peer-reviewed volumes (1 with supervised student), 24 articles in collective volumes, 3 book reviews, 3 books/monographs and 3 peer review edited volumes. My work has been cited 305 times (excluding self citations, based on Google Scholar). Scopus citation index is (7).

Selected publications

Books

-**Valamoti**, S.M, Bittman, F. **2015**. Proceedings of the 16th Conference of the International Work Group for Palaeoethnobotany, Thessaloniki 2013. *Vegetation History and Archaeobotany* 24.

-Capparelli, A, **Valamoti**, S.M., Wollstonecroft, M. (eds.) **2011**. After the Harvest: investigating the role of food processing in past human societies. *Archaeological and Anthropological Sciences* Volume 3 (1)

-**Valamoti**, S.M, **2009**. *Η Αρχαιοβοτανική Έρευνα της Διατροφής στην Προϊστορική Ελλάδα* (An Archaeobotanical Investigation of Prehistoric Diet in Greece, in Greek). Thessaloniki: University Studio Press. (in Greek, revised version titled *Seedy Tastes* is in preparation and will be published by Oxbow Books in 2016).

Invited talks

Invited Keynote speaker (disciplines other than Archaeology)

- 2012** 6th European Botanic Gardens Consortium (EUROGARD), Chios Island, May 2012. Key note speaker: Plants and People in Prehistoric Northern Greece: the Archaeobotanical Evidence, (Session 3: Plants and People: From Myth, History and Art to Science and Culture) <http://www.botanicgardens.eu/eurogard/eurogard6.htm>
- 2012** 14th Conference of the Hellenic Scientific Society for Genetics and Plant Breeding, Thessaloniki, October; Title: Archaeobotanical Investigations in the city and wider area of Thessaloniki: the Prehistoric Period <http://www.plantbreeding.gr/>
- 2009** 3rd International Symposium on Saffron, Krokos Kozanis, May 2009; Title: Plants in Prehistoric Societies of Greece with an emphasis on Crocus; <http://www.ishs.org/symposium/129>

Invited speaker (special seminars-selection)

- 20.04.15, Basel, IPNA, Switzerland, *Neolithic wine making in northern Greece: recent finds from Dikili Tash* <https://ipna.unibas.ch/studium/Kraenzli-FS15.pdf>
- 02.03.15 Oxford, Institute of Archaeology, 02/03/2015, *A sip of Neolithic wine: recent finds from the north Aegean*. Sponsored by the University of Oxford and the Association for Environmental Archaeology
<http://envarch.net/events/30/seminar-professor-soultana-valamoti-aristotle-university-of-thessaloniki-a-sip-of-neolithic-wine-recent-finds-from-the-north-aegean/>
- 29.10.14 Vienna Academy of Sciences (OREA Institute for Oriental and European Archaeology), Title: Iron Age plant subsistence and land use in SE Europe: cultural interactions detectable through the archaeobotanical record of Greece and Bulgaria (with Dr Elena Marinova)

Invited presentations to international peer reviewed conferences

- 02.05.15 Heidelberg, Germany, conference Social Dimensions of Food in the Prehistory of the Eastern Balkans and Neighbouring Areas, <http://uni-heidelberg.academia.edu/MariaIvanova/Conferences>; Research paper: *Plant foods in daily meals and feasting in prehistoric northern Greece*
- 19.03.15 Berlin, Frei Univer *From Central Asia to the north Aegean? An archaeobotanical investigation of Bronze Age crop introductions to northern Greece*, <http://pages.wustl.edu/saie/articles/10425>
- 17.10.14 International conference 'Country in the city: Forms and functions of agro-pastoral activities in Mediterranean pre-Classical cities', Marseille; research paper: Settlement space and agricultural practices in Neolithic and Bronze Age northern Greece: an archaeobotanical investigation
- 03.05.14 Heidelberg Balkan Dialogues. Spatial Boundaries and Cultural Identities in the Prehistoric Balkans Internationales Wissenschaftsforum Heidelberg; research paper: Culinary identities of prehistoric Greece: an archaeobotanical exploration
- 28.09.2013 Faces of Time-Cultural Routes Crossroads: The Convergence of Cultural Routes and the Impact on Heritage, Planning and Sustainability. Archaeological Museum of Thessaloniki. Research paper: Prehistoric grapevines and wines of northern Greece.
- 13.12.12 14th 'International Aegean Conference' *Physis*, Paris; Research paper: Space through time in Neolithic northern Greece: an archaeobotanical approach
- 22-24.11.12 International Conference, 100 Years of Prehistoric Research in Macedonia. Archaeological Museum of Thessaloniki, Greece. Archaeobotanical Research in Prehistoric Macedonia. <http://www.livemedia.gr/album/704>
- 24.10.12 33rd International Meeting of Archaeology and History, Antibes, An interdisciplinary focus on plant-working tools; Research paper: Processing pulses in Prehistoric Northern Greece : an experimental approach integrating plant remains and stone tools.
- 18.11.2011 International Symposium, Olive Oil and Wine Production in Eastern Mediterranean during Antiquity. Urla, Turkey. Research paper: An archaeobotanical investigation of prehistoric grape vine exploitation and wine making in northern Greece: recent finds from Dikili Tash
- 20.09.10 International Archaeobotany Symposium, 'Roles of Millets in the History of Human Society', Research Institute for Humanity and Nature, Tokyo, Japan; Research paper: Archaeobotanical evidence for *Panicum miliaceum* in prehistoric Greece
- 01.07.10 International Workshop 'Bioarchaeological research on animal dung: possibilities and imitations', Royal Belgian Institute of Natural Sciences, Brussels; Research paper: Towards a distinction between digested and undigested glume bases in the archaeobotanical record: An experimental approach
- 29.06.10 Second Flax Workshop- Interdisciplinary FLAX-network (Danish Research Council), Copenhagen; Research paper: Archaeobotanical evidence for the cultivation and use of flax in Neolithic and Bronze Age Greece

- 4.06.10 15th International Work Group for Palaeoethnobotany, Wilhelmshaven; research paper: 'Processing and consumption of pulses in prehistoric Greece: archaeobotanical, experimental and ethnographic evidence'
- 22-24.03.10. International Conference, Subsistence, Economy and Society in the Greek World: Improving the Integration of Archaeology and Science, Athens. Participation with four oral presentations published in 2013.
- 2009 5th International Conference of Ethnobotany (ICEB), The prehistory and modern survival of bulk processing cereals for piecemeal consumption: case studies from Greece, San Carlos de Bariloche, Argentina
- 14.05.08 37th International Symposium on Archaeometry, Siena; research paper: 'An investigation of prehistoric cereal food: starch microstructure in experimental and archaeological charred plant remains'
- 21-23.09.2007. International Conference for Wine in Ancient Greece and Cyprus *Wine Confessions: production, trade and social significance of wine in ancient Greece and Cyprus*), Ikaria island, The exploitation of the grape-vine in prehistoric and early historic northern Greece: the archaeobotanical evidence
- 19.06.07 14th International Work Group for Palaeoethnobotany Krakow; research paper: Prehistoric cereal grain treatment in Greece and Bulgaria: experimental cereal processing and charring to interpret archaeobotanical remains
- 06.2006. Workshop on *New Technologies and Culinary Practices in Ancient Greece*, Environmental Archaeology Group, Kapodistriako Panepistimio of Athens and Mediterranean Information Office for Environment, Culture and Sustainable Development - MIO-ECSDE). Presentation title: In search of ancient food recipes in northern Greece: the contribution of archaeobotany
- 11-14.04.2005. International Conference: Between the Aegean and Baltic Seas: Prehistory across Borders. Bronze and Early Iron Age Interconnections and Contemporary Developments between the Aegean and the regions of the Balkan Peninsula, Central and Northern Europe, Zagreb-Croatia, research paper Food across borders: a consideration of the Neolithic and Bronze Age archaeobotanical evidence from northern Greece
- 27.09-01.10.2004. International Conference *Strymon Praehistorikos*, Blagoevgrad, Bulgaria. Research paper: Agriculture and use of space at Promachon/Topolnitsa: preliminary observations on the archaeobotanical material.
- 18.05.2004 13th International Work Group for Palaeoethnobotany, Girona; research papers a) 'Grain versus chaff: identifying a contrast between grain-rich and chaff-rich sites in the Neolithic of northern Greece' and b) *Lallemantia*, an imported or introduced oil plant in Bronze Age northern Greece
- 23.04.2004 International Symposium 'Autour de la Cuisine: les pratiques alimentaires au Neolithique et l'Age du Bronze dans le monde Egéen', Blaisse Pascal and Liverpool Universities, Clermont Ferrand. Research paper: Traditional foods and culinary novelties in Neolithic and Bronze Age northern Greece: an overview of the archaeobotanical evidence
- 28-31.05.2003. 4th International Conference of the Hellenic Society for Archaeometry. Athens. Research paper: Cooking ingredients from Bronze Age Archondiko, the archaeobotanical evidence, with A. Papanthimou and A. Pilali
- 24-29.09.2002. 8th International Conference, European Association of Archaeologists, Thessaloniki. Research paper: Who ate all the grain? An approach to settlement pattern in Neolithic Northern Greece through charred plant remains
- June 2001. 12th Conference of the International Work-Group for Palaeoethnobotany, Sheffield, UK. Research paper: Food remains from two bronze age sites in Macedonia, Greece?
- September 1997. 1st International Conference on Ancient Greek Technology, Thessaloniki. Research paper: Η επεξεργασία της τροφής κατά τους προϊστορικούς χρόνους: τα αρχαιοβοτανικά δεδομένα από τον ελληνικό χώρο (Food processing in prehistoric times: the archaeobotanical evidence from Greece)

- March **1997**. 7th Workshop on Aromatic and Medicinal Plants, ETBA Foundation and Biological Society of Cyprus. Research paper: Medicinal and aromatic plants in prehistoric northern Greece: the archaeobotanical evidence
- November **1995**. Workshop on Neolithic Society in Greece, Centre for Aegean Archaeology, Sheffield University. Research paper: Charred plant remains from Makriyalos: preliminary observations

Poster presentations at International Conferences

- 31.5-5.06.**2010**. 15th Conference of the International Work Group for Palaeoethnobotany. Poster titles: a) Plant Processing around the Globe: Archaeobotanical, experimental and ethnobotanical approaches (with Aylene Capparelli and Michele Wollstonecroft), b) Plant remains from an Iron Age cooking installation at Karabournaki, northern Greece (with Eugenia Gkatzogia, PhD student), c) Inferring the taphonomy of charred olive stones by comparing the anatomy of fracture surfaces under different burning regimes (with E. Marinova and J. Van der Valk)
- 22-24.03.**2010**. Subsistence, Economy and Society in the Greek World: Improving the Integration of Archaeology and Science, Athens, Greece. Poster title: Cooking in an Iron Age pit in northern Greece: an interdisciplinary approach (with M. Tiverios, E. Manakidou, D. Tsiafaki, S. Valamoti, A. Theodoropoulou, E. Gatzogia)
- 12-18.05.**2008**. 37th International Conference on Archaeometry, Siena, Italy. Poster title: Detection and identification of organic residues in ceramic vessels from Late Bronze Age Northern Greece: a preliminary investigation of consumption and exchange of plant oils, with C. Heron, M. Roumpou, G. Jones, S. Andreou.
- 1-4.04.**2008**. Ancient World Systems: What Would a Bronze Age World System Look Like? World systems approaches to Europe and western Asia 4th to 1st millennia BC., Sheffield, UK. Poster title: Crossroads on the margin: contact networks in Final Neolithic and Bronze Age northern Greece as seen through charred plant remains
- 17-23.06.**2007**. 14th Conference International Work Group for Palaeoethnobotany, Krakow, Poland. Poster titles: a) Plant remains from Bronze Age Toumba Thessalonikis (together with D. Kotsachristou, postgraduate student, and M. Mangafa†), b) Settlement pattern and sample composition in the Neolithic of southeastern Europe (σε συνεργασία με E. Marinova και K. Borjevic)
- 05.2005. International Conference Mediterranean Crossroads, Pierides Museum, Athens. Poster title: Crossroads of taste – Plant food introductions in prehistoric northern Greece
- 3-5.10.2005**. *International Congress on Beer in Prehistory and Antiquity* – in Memoriam to Dr Jose Luis Maya, Barcelona, Spain. Poster title: Fermented beverages from prehistoric northern Greece, with S. Andreou
- 2-5.09.**2004**. International Conference, Economic and Environmental changes during the 4th and 3rd millennium B.C., Bad Buchau, Germany. Association for Environmental Archaeology, Landesdenkmalamt Baden-Württemberg και Federseemuseum Bad Buchau. Poster title: Changing landscapes, changing tastes in northern Greece during the 4th and 3rd millennia B.C.: the archaeobotanical evidence
- 16-22.05.**2004**. 13th Conference of the International Work Group for Palaeoethnobotany». Girona, Spain. Poster title: Distinguishing food from fodder through the study of charred plant remains: an experimental approach to dung-derived chaff, with M.P.Charles

National and Regional Conferences

- 1-3.03.2012**. Προϊστορικός οικισμός Κλείτου Κοζάνης: Προκαταρκτικά αποτελέσματα από την αρχαιοβοτανική έρευνα στον οικισμό (Prehistoric settlement of Kleitos Kozanis: preliminary results of the archaeobotanical research at the site). 25th *AEMTH* (2011). With Hara Stylianakou (postgraduate student)
- 03. **2011**. 24th *AEMTH* (2010). Prehistoric settlement of Philippoi-Dikili Tash, the 2010 excavation season. With P. Darcque, Ch. Koukouli-Chrysanthaki, D. Malamidou, Z.Tsirtsoni.

- 16-17.07.2011. 1st Symposium on Greek Gastronomy, Karanou, Chania, Crete. Paper title: Tastes from seeds in prehistoric Greece
- 21.10.2011. 1st Scientific meeting for Local Varieties, Agricultural University of Athens. Paper presentation: Cultivating crop plants in Greece during prehistoric and early historic times.
- 11-12.12.2010. Scientific meeting Edessa and its Region, History-Archaeology. Diet and agriculture at Apsalos and Mandalo, the archaeobotanical remains
- 23-24.-7. 2010. The Archaeological Work in Upper Macedonia, Aeani Kozanis. Paper title: Grain for the dead?
- 2-4.04.2009. 22nd AEMTH (2008). Archaeobotanical research at the neolithic settlement of Kremasti Koiladas (with A. Karathanou, postgraduate student)
- 28-29.03.2008. Environmental Archaeology Meeting, Dept. of Archaeology, Aristotle University of Thessaloniki. Paper title: Stories from seeds: current state of the art in archaeobotanical research in Greece
- 07.01.2008. Meeting on Sciences and Archaeological Materials, Athens, Ministry of Culture. Paper title: Archaeometry in practice and university teaching: the experience from the School of History and Archaeology of the Aristotle University of Thessaloniki.
- 02.2005. 18th AEMTH (2004). Paper titles: a) Prehistoric diet in northern Greece with an emphasis on plant ingredients, in Greek and b) The prehistoric settlement of Angelochori research project-agropastoral activities and dietary habits, in Greek.
- 19.01.2005. Introductory *Colloquium* of the Dept. of Archaeology, Aristotle University of Thessaloniki, Series title: Food from Prehistory to Medieval Times. Paper title: Prehistoric cooking (in collaboration with the undergraduate students of the APR303 course: interdisciplinary studies in Archaeology)
- 02.2004. 17th AEMTH (2003). Paper titles: a) Prehistoric cooking at Archondiko Giannitson: the archaeobotanical remains. With A. Papanthimou and A. Pilali. b) Archaeobotanical remains from Karabournaki: a preliminary examination of the finds, with M. Tiverios, E. Manakidou, D. Tsiafakis.
- 12.1999. *Giannisa during Prehistoric times*, Giannitsa Municipality. Paper title: Prehistoric agriculture and plant exploitation in the region of Giannitsa: the archaeobotanical evidence
- 07.1999. *Art and Techniques of Grapevines and Vineyards of Northern Greece*, Adriani, Drama, ETBA Foundation. Η εκμετάλλευση της αμπέλου στο χώρο της Μακεδονίας και της Θράκης κατά τη Νεολιθική και την Πρώιμη Εποχή του Χαλκού (The exploitation of the grapevine in Macedonia and Thrace during the Neolithic and the Early Bronze Age, in Greek).
- 05.1994 2nd Symposium, Drama and its Region, Municipality of Drama. Paper title: Agricultural activities and diets at the Neolithic settlement of Arkadikos at Drama: a preliminary examination of the archaeobotanical finds, in Greek)
- 09.1993. Grapevine and Wine History in Macedonia and Thrace, Naoussa, Fani Boutari Foundation and ETBA Foundation. Paper title: Grapevine exploitation in Macedonia and Thrace during the Neolithic and Early Bronze Age.
- 01.1993. *AEMTH 6* (1992) Paper title: Agricultural products from the neolithic settlement of Giannitsa B: a preliminary approach through the archaeobotanical remains, in Greek
- 04.1992. Symposium *on Our Bread: From Wheat to Bread*, ETBA Foundation and Loulis mills. Paper title: Processing and storage of wheat as evidence by archaeobotanical remains: an introduction

Articles for the wider public

- Valamoti, S.M. 2010.** Γεύσεις και τοπία μέσα από τα προϊστορικά φυτά της Ελλάδας (Tastes and landscapes from the prehistoric plants of Greece, in Greek and English). In, Ph. Giannissi and Z. Kotionis (eds.) *Κιβωτός: Παλαιοί Σπόροι για Νέες Καλλιέργειες (The Arc: Old Seeds for New Cultivations)*. Athens, Ministry of Energy and Climatic Change, University of Thessaly Publications. 12th Biennale of Architecture in Venice, Greek participation.

- Valamoti, S.M. 2010.** Καλλιέργειες και τρόφιμα στην προϊστορική βόρεια Ελλάδα: Τα αρχαιοβοτανικά δεδομένα (Crops and plant foods in prehistoric northern Greece: the archaeobotanical evidence, in Greek). In H. Efthymiopoulos (ed.), *Πού Βαδίζει η Γεωργία;* (Towards which goal in Agriculture?) 41-44. Athens, Livanis publications.
- Valamoti, S.M. 2010.** Τρόφιμα φυτικής προέλευσης στην προϊστορική βόρεια Ελλάδα (Plant foods in prehistoric northern Greece, in Greek). In C. Gatzolis (ed) *Ο Πολιτισμός στο Τραπέζι* (Culture on Table), 25-38. Thessaloniki, University Studio Press.
- Valamoti, S.M. 2006.** Τρόφιμα φυτικής προέλευσης στην προϊστορική βόρεια Ελλάδα (Plant foods in prehistoric northern Greece, in Greek).
- Valamoti, S.M. 1997.** Προϊστορική βοτανοθεραπεία: οι πιθανές χρήσεις των φαρμακευτικών και αρωματικών φυτών στους προϊστορικούς χρόνους (Prehistoric herbal healing: the potential uses of medicinal and aromatic plants in prehistoric times, in Greek). *Εφημερίδα Καθημερινή (Kathimerini newspaper)*, 29 June 1997.
- Valamoti, S.M., Mangafa, M. 1993.** Σαράντα Αιώνες Κρασί (Forty Centuries of Wine, in Greek). *Εφημερίδα Καθημερινή*, 17 Οκτωβρίου 1993.

Scientific results dissemination activities

I have been actively involved in dissemination of scientific results to the wider public through publications addressed to non-specialist readership (see section above) and by collaborating with museums, schools, ministries and local authorities, the media and press, *NGOs* and participation to documentaries, seminars, open air events and exhibitions including hands-on and food tasting events.

Teaching handbooks

June 2015. Featured National Geographic Explorer for National Geographic World History, an educational program for middle school students.

Exhibitions

-**2009-today. PACE: Plants and Culture: Seeds of the cultural heritage of Europe** (2007-2013) Invited participation (exhibition and special volume). Exhibition poster title: *Vitis vinifera*: investigating the gift of Dionysus in prehistoric Greece

E-visit:<http://www.plants-culture.unimore.it/information.htm>

Exhibition presented at Nikopolis Archaeological Museum, Volos Archaeological Museum, Archaeological Museum of Delphi, Museum of Natural History, Crete, Krakow, Budapest, Barcelona, Istanbul, Sofia, Rome, Pompei, Carpineti (Regno Emilio), Fossanova, Modena, Matera, Campobasso, Tulcea, Bergen, San Marino and Czestochowa

-August-November **2010.** 12th International Architecture Exhibition, **BIENNALE** of Venice. Participation to the special exhibition volume. Participation title: Tastes and landscapes through the plants of prehistoric Greece

<http://www.greekarchitects.gr/en/temporary/the-ark-old-seeds-for-new-cultures-id3129>

<http://www.arch.uth.gr/greekark/>

-8-17.09. **2006. International Fair of Thessaloniki**, HERMES program (GGET). Poster presentation and leaflet distribution.

-2004-2006: **Archaeological Museum of Thessaloniki**, collaborator on exhibition aspects related to prehistoric agriculture and diet (with D. Grammenos and L. Stefani)

=2004: Archaeological Collection at **Promachon/Serres**. Text and images on agricultural practice and plants in prehistory at the neolithic settlement Promachon/Topolnitsa

-2004: Noesis, **Ancient Greek Technology Exhibition**. Consultancy on agricultural practices and diet in prehistory

Other events for the public: talks, leaflet dissemination, food tasting and hands-on activities

- 04.06.2014 The contribution of Aromatic, Spicy and Medicinal Plants in Rural Development and National Economy, **Hellenic Ministry of Rural Development and Food**, Athenais, Athens. Paper presented: Medicinal and aromatic plants of prehistoric Greece: the archaeobotanical remains
- 25.05.2013 *Thesmophoria Event*, **Hellenic Ministry of Rural Development and Food**, Acropolis Museum, Athens. Paper presented: The beginnings of agriculture in Greece through archaeobotanical remains
- 05.06.2012. **Anatolia** preschool education program: Short talk and hands on presentation of prehistoric plant food technologies: Prehistoric cooking: from seeds to prehistoric cuisine
- 03.07.2012. Summer School on Seeds, Edessa, organised by **AEGILOPS**: Archaeobotanical Research: the Prehistory of Seeds in Greece
- July **2008, 2009, 2010. Dispilio Excavation Summer School**. Lectures on Archaeobotany, flotation techniques demonstration.
- July **2010**. 12th *Ecological University*, Agriculture on the Verge, Samothrace 5-23 July 2010, **DIPE** (Interdisciplinary Institute for Environmental Research). Lecture title: Crops, cultivation and food in prehistoric northern Greece: the archaeobotanical evidence.
- April **2010**. 10th *Panhellenic Celebration of Local Varieties Exchange*, **PELITI NGO**, Mesochori, Paranesti-Drama. Lecture title: plants in prehistoric diets in Greece.
- April **2009**. 9th *Panhellenic Celebration of Local Varieties Exchange*, **PELITI NGO**, Timios Prodromos Monastery, Anatoli Kissavos-Larissa. Lecture title: plants in prehistoric diets in Greece.
- July **2008**. *Days of the Old Wheat: Knowing the Land and its People*. **AEGILOPS NGO**, Palatiano archaeological site, Kilkis 11-13 July 2008. Lecture title: Prehistoric agriculture in Macedonia.
- October **2007**. **National Archaeological Museum, Athens**. Title: Prehistoric diet in northern Greece.
- December **2006**. Division of Elementary Education, **Ministry of Education**, Seminar on Health Education, Kavala, 6 December. Lecture: Prehistoric plants in the diets of prehistoric inhabitants of Greece.
- June **2006**. Myths to the Light, **Tellogleio Foundation**, Aristotle University of Thessaloniki, Thessaloniki, June 26 2006. Event organised by the Department of Archaeology. Presentation of Archaeobotanical research at the Dept. of Archaeology, School of History and Archaeology, Aristotle University of Thessaloniki.
- September **2005 (23-25.9.05)**. **Archaeological Museum of Thessaloniki, European Heritage Days** special Theme: Culture on the Table. Lecture title: The contribution of plants in the diets of prehistoric inhabitants of northern Greece
- January-February **2005**. Two Special Prehistoric Food *Colloquium* and food tasting events, organised by S.M.Valamoti and her undergraduate students at the Dept. of Archaeology, Aristotle University of Thessaloniki: a) Food Colloquium series, *Diet from Prehistory to Medieval Time* and b) the 18th *AEMTH* conference (in collaboration with P. Adam-Veleni)
- June **2005** *Colloquium series, Diet from Prehistory to Medieval Times*, Aristotle University of Thessaloniki, **Department of Archaeology**. Cooking the Cooking 'stuff'. In collaboration with Nora Skouteri-Didaskalou. Closing lecture of the Colloquia series, organized by S.M.Valamoti

Open-air events

May-June **2012**. *Sundays at the Aristotle University of Thessaloniki* (ΑΠΘ την Κυριακή), creative workshop titled: From the Stereomicroscope to the prehistoric kitchens: a journey to prehistoric tastes of northern Greece through the excavated seeds. It involved distribution of educational leaflets, food-tasting, hands on processing of prehistoric plant food ingredients.
